*Reproduction of the mark where
the mark is represented in
standard characters*

Boramit Ökotherm

Registration number **1 487 554**

Registration date **June 26, 2019**

Date next payment due **June 26, 2029**

Name and address of holder **Metin Hidir
Marlstraße 46b, 23566 Lübeck (Germany)**

*Name and address
of the representative* **Patentanwälte Vollmann Hemmer Lindfeld Partnerschaft mbB,
Wallstraße 33a, 23560 Lübeck (Germany)**

*Indication relating to the nature
or kind of mark* **The words contained in the mark have no meaning.**

*List of goods and services
NCL(11-2018)*

- 2** Lacquers; lacquers [paints]; varnishes [lacquers]; fixatives for lacquers; binders for lacquers; lacquers for use by decorators; glazes [paints, lacquers]; transparent coating compositions [lacquers]; lacquers for use by painters; lacquers in the nature of a coating; lacquers for use on walls; lacquers and varnishes; spray coatings [lacquers]; coating compositions for application to stonework [paints and lacquers]; glazes [paints and lacquers]; ground coatings [lacquers and paints]; lacquers in the nature of paints; ground coatings [paints, lacquers and oil]; lacquers for the finishing of concrete; lacquers for use in industry; thinners for lacquers and other paints; products for protecting concrete [paints and lacquers]; products for sealing concrete [paints and lacquers]; preparations for the protection of stonework surfaces [lacquers and paints]; preparations for the protection of wall surfaces [lacquers and paints]; metal surface treating agents [lacquers and paints]; products for sealing stonework [paints and lacquers]; coating compositions in the nature of paints and lacquers for use on wood; varnishes [except for insulating varnish]; colorants for mortars; dyestuffs for mortars; dyes for mortars; preparations for the repair of mortar [in the nature of paint]; preservatives for cement [paints]; preparations for preserving cement [paints].
- 17** Insulating plaster; insulating mastics; insulating matting; insulating fabrics; insulating varnishes; insulating materials; insulating fillers; insulating paints; insulating matting [insulation material]; insulating materials, insulations; industrial insulating paints; paints for insulation; insulation for construction purposes; acrylic resin for insulating purposes; paints for insulating purposes; anti-cold insulating compositions; fire resistant insulating panels; insulating material for roofing; sealing and insulating materials; soundproofing materials; insulating materials for construction purposes; insulating paints for roofs; insulating paints for walls; insulation and barrier articles and materials; heat resistant fabrics [for insulation purposes]; insulating materials for insulation against heat; water based insulating paints; insulations with sealing functions for noise

protection; insulations with sealing functions for heat protection; paints for sealing [for insulating purposes]; insulators and insulating materials [electricity, heat, sound]; fabrics made of organic fibres for use as insulation; fabrics made of mixed synthetic and natural fibres for use as insulation; protective coating material made of acryl for spraying for insulating purposes.

- 19 Plaster [plastering materials]; plaster coatings made of coloured artificial resin; gypsum for repairing holes in plaster; gypsum for repairing cracks in plaster; plaster gypsum; gypsum mortar; gypsum [construction materials]; gypsum boards for construction purposes; gypsum for repairing wood cracks; gypsum for repairing of cracks in woodwork; bituminous construction materials; construction materials of plastics materials; construction materials made of enriched cement mortar; fired refractory construction materials, not of metal; mortar mass; mortar; mortar mixes; mortar materials; mortar compounds; refractory mortar; water resistant mortar; mortar [construction material]; epoxide resin mortar; levelling materials [cement or mortar]; facade claddings panels of mortar-coated foam material; refractor mortar, not of metal; cement; cement mixes; refractory cement; refractory cement plaster; cement plaster [refractory]; structural coatings [cementitious]; cementitious restorative coatings; cementitious wall coatings; cementitious protective coatings; cement for constructional purposes; cement mortar for constructional purposes; cementitious water-resistant coatings; cementitious waterproof coatings; screeds; screed coating; screed coatings; screed as base.
